## Working in partnership to address what matters to people who live or work in care homes

The Institute of Nursing Science (INS) at the University of Basel kindly invites you to the following lecture and *Brown Bag lunch*\* with **Prof. K. Spilsbury** (University of Leeds) – supported by the “Invite your expert” grant of PPHS

Tuesday, March 31 2019, 12.00 – 13h00

at the University of Basel, Nursing Science (INS), Bernoullistrasse 28

Room: UG01

### **Karen Spilsbury, Prof. Dr.**

Professor (Invest Chair in Nursing Res), School of Healthcare, University of Leeds, United Kingdom

Prof. Karen Spilsbury is a researcher in the field of nursing science and a Chair in Nursing Research at the University of Leeds since 2015. Her expertise extends to fields central to contemporary nursing practice, demonstrated by the development of a programme of clinically and policy relevant research in the areas of the healthcare workforce and care for older people. In particular, she is interested in evaluating how changes in the composition, organisation and management of the healthcare workforce impact on quality of care and outcomes.

*\* You are welcome to bring your lunch!*
